S.E.A.L.: SEX, ENTERTAINMENT AND LIES

This tell-all takes an uncensored look into the life of Londell "Nikko London" Smith as he shares salacious tales of his journey in the entertainment business. As a singer-songwriter and record producer, this Brooklyn raised entertainer has collaborated with music sensations, such as Timbaland, Tamia, Gerald Levert and LL Cool J. Yet many still view him as nothing more than an opportunist who used a sex tape to achieve success.

After a few seasons on Love & Hip Hop: Atlanta everyone thinks they know him, but that couldn't be further from the truth. He's now ready to reveal the Nikko the world never knew and have them singing a different tune. Sure to clear up the rumors that he's a penniless reality television star searching for a come-up and fifteen minutes of fame, S.E.A.L. shines a light on a man that's misunderstood and highly underrated.

With a foreword by powerhouse singer-songwriter and record producer Teddy Riley, S.E.A.L. shows the complexities of a man that is a force to be reckoned with.

Written with bestselling author Mya Kay, S.E.A.L. exposes the humanity and identity of Nikko London that was not shown on Love & Hip Hop: Atlanta. It uncovers the man that worked hard to get out of the street life to build a name for himself, a man his parents could be proud of and the world will never forget.
