## FATALLY FLAWLESS

Fatally Flawless is a gritty urban drama set in West Philadelphia during the late 1990's where drugs, sex, money and materialism were all in abundance. This fast-paced story revolves around the lives of three beautiful seniors at Overbrook High School and the individual men in their lives. This all plays out in an era when European-made cars and designer clothes not only defined a generation, but also their social status. Despite each being from totally different backgrounds, Mya, Takia and Raven come together in united sisterhood to form a unique friendship. Their bond gets tested to its limit by the allure of the streets and handsome young hustlers with enough money to make their wildest dreams come true.

Their dreams quickly turn into nightmares as each girl is consumed by the cold-hearted Philadelphia streets, where many often meet their demise. The game they're playing must be mastered, as it will take every ounce of street smarts and will to survive. The girls find themselves used as pawns in the game their bloodthirsty, money-hungry boyfriend friends have them wrapped up in: an inescapable web of lust, fast money and shopping sprees.

Friendships are torn apart by betrayal and greed as federal agents watch and close in. In the end, will true love be saved? Who will be the last girl standing?
